- As per the schedule we arrived on 15th morning at the college premises and met Sri S.V. Subbaih, President of the college. He informed that the college is not functioning and is closed.
 - On interrogation he said that during the last three year the admissions were poor and only 6-8 candidates had taken admission in B.Pharm course through counseling.
 - On enquiry about the classes of those students, he replied that they are transferred to other colleges affiliated to JNTU, Ananthapur. (The details of transfer of students are also not provided).
 - When asked about the status of admission to B.Pharm course this session i.e. 2016-17, he said so far no candidate joined from M.P.C. stream and the process would continue from other stream.
 - During the inspection we saw a few candidates in one class- room, and on inquiry we were told that some general coaching classes are held presently for other courses.

- Asked whether the management wanted to close the pharmacy college permanently the President did not give proper reply.
- During the interrogation we could understand that the management is admitting candidates to M.Pharm courses and conceded that the students do not attend classes.
- When we asked him to give a letter, stating the above facts, he denied and reiterated that the college was closed.
- In view of the above, the verification as per SIF as desired by the council could not be possible
