Prof. Mahadeva Lal Schroff

(March 6, 1902 - August 25, 1971)

Prof. M. L. Schroff, is recognized as the Father of Pharmacy Education in India. He certainly remains an ideal to all pharmacists working in this country irrespective of their branches and diversity of duties. He played a great role in building pharmacy education in India, he also contributed to the development of other aspects of the pharmacy profession. Prof Schroff started the M.Pharm Education in 1940 at BHU with his efforts. Slowly, pharmacy education sprung up in different places in India.

Pharmacy Council of India has decided to recognize the contribution of Prof. Mahadeva Lal Schroff for establishing the Pharmacy Education in India by declaring his 'Birth Anniversary' 6 March as
"National Pharmacy Education Day"

■ **About: Pharmacy Council of India**

Pharmacy Council of India is a statutory body working under the Ministry of Health and F.W., Government of India. It is constituted under the Pharmacy Act, 1948 to regulate pharmacy education & practice of profession in the country.

- The Pharmacy Act 1948 was enacted on 4.3.48 with the following preamble- "An Act to regulate the profession of pharmacy. Whereas it is expedient to make better provision for the regulation of the profession and practice of pharmacy and for that purpose to constitute Pharmacy Councils".
- The PCI was constituted on 9.8.49 under section 3 of the Pharmacy Act.

■ **OBJECTIVES**

- Regulation of the Pharmacy Education in the Country for the purpose of registration as a pharmacist under the Pharmacy Act.
- Regulation of Profession and Practice of Pharmacy.

To achieve set objective, the PCI regulates the education of Pharmacy at all the levels of certifications through the Education Regulations framed under the Act. This covers the approval of institutions imparting the education of Pharmacy in India. The Education Regulations covers all the essential requirements which an Institution has to fulfil for approval including the prescribed requirements.

■ National Education Policy, 2020

This National Education Policy, 2020 envisions an education system rooted in Indian ethos that contributes directly to transforming India, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower.

The Policy envisages that the curriculum and pedagogy of our institutions must develop among the students a deep sense of respect towards the Fundamental Duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world.

The vision of the Policy is to instil among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

■ About Pharma Anveshan, 2024

In 2023, Pharmacy Council of India under its patronage has celebrated Prof. M. L. Shroff's 121st birth anniversary as Pharma Anveshan at New Delhi.

This year, Pharmacy Council of India is giving opportunity to Institutions to celebrate the event on theme "Leveraging Synergism: Industry- Academia Partnership for Implementation of National Education Policy, 2020"

The Pharmacy Council of India is taking the initiative to gather perspectives on the National Education Policy, 2020, from various stakeholders for effective implementation.

This event will provide Pharmacy Professionals with the opportunity to discuss the National Education Policy, 2020, and its implementation with Industry experts and academicians. As the Council is actively working towards the implementation of the National Education Policy, 2020. The theme is designed to bridge the gap between the industry and academia within the existing Pharmacy Course curriculum.
